# Sergio Fuentes Vázquez

## Sound Design

## PROFILE

Passionate sound designer with experience in composing, mixing, and mastering video game-inspired music. Skilled in managing musical projects, working collaboratively under tight time constraints, and developing creative solutions within project limitations.

Highly motivated to continue learning and expanding my skills in sound design. Seeking to expand my network and establish meaningful connections in the video game industry to secure my first job and create interactive audio experiences that bring joy to players.

## EXPERIENCE

### Freelance Sound Designer and Music Composer

*Souls Forge Studios - 2021 / 2023*
